**ORDER GRANTING PETITIONER'S  
REQUEST FOR ADDITIONAL TIME  
TO CONDUCT DISCOVERY**

10 On September 4, 2014, the Court granted Petitioner's request to conduct additional  
11 discovery in an effort to more fully develop the factual record in this case. (Docket No.  
12 43). On November 3, 2014, the parties filed a joint case management statement informing  
13 the Court of Petitioner's progress, and requesting an additional 60 days to conduct  
14 discovery. (Docket No. 44). That request was granted. (Docket No. 46). On January 5,  
15 2015, the parties filed a new joint case management statement detailing Petitioner's latest  
16 progress and again requesting an additional 60 days to pursue the discovery authorized in  
17 the September 4 Order. (Docket No. 47).

18 The Court hereby GRANTS Petitioner's request for an additional 60 days to  
19 conduct further discovery, at which point the parties shall file a joint case management  
20 statement informing the Court of Petitioner's progress. Accordingly, this statement must  
21 be filed on or before March 9, 2015.
